

Iowa Department of Natural Resources

RELEASE OF BOND

PRINCIPAL:

SURETY:

WHEREAS, the above named principal and surety have furnished bond in the amount of _____ for conformance with the laws, rules, and regulations governing oil, gas, and metallic mineral operations in and upon the following described land in the State of Iowa, to wit:

AND, WHEREAS, the provisions of Iowa Code Chapter 458A, as amended, and the rules, regulations, and orders of the Iowa Department of Natural Resources have been fully complied with in the plugging and abandonment of all wells for oil or gas or for metallic minerals on said land.

NOW, THEREFORE, the plugging of said well or wells is hereby approved and the bond therefore is hereby released.
